WHAT WE DO

Semmes Murphey Clinic is a leader in the field, with more than 100 years' experience developing treatments and procedures to improve care for patients with neurological and spine disorders. The Semmes Murphey name is instantly recognizable to physicians around the world, many of whom choose to refer their patients to us.

Our neurosurgeons, neurologists, physiatrists, neuropsychologists, physical therapists, physician assistants and nurse practitioners are committed to helping patients *get their normal back*.

When your patient arrives at Semmes Murphey, they are in the hands of a caring,

skilled, and experienced medical team. Our doctors are committed to saving and improving lives.

HOW TO REFER A PATIENT

To reach our office by phone, call:

901.522.7700 - Press 2 for the appointment staff.

Find our online appointment request at:

semmes-murphey.com/request-appointment

Fill out the online form and simply click Submit. Records and imaging reports should then be faxed to 901.259.2034. Patients should bring a CD of their imaging to their first visit.

To schedule by fax, download our Fax Referral Form at:

semmes-murphey.com/referrals

Fax the completed form to us at 901.259.2034 along with the following information about the patient – demographic sheet, copy of Health Insurance Card, treatment notes, and imaging reports. Patients should bring a CD of their imaging to their first visit.

For same-day appointment referrals, please call:

901.522.7700 - Press 0 to speak with an operator. Ask to be transferred to the Nursing Supervisor.
